

Suggested Speaking Topics:

- 1) An intellectual defense for the physical resurrection of Jesus Christ, showing that through logic, reasoning, history and science we can believe in the resurrection as an actual historic event.
- 2) A comparison between Christianity and other religions, showing that Jesus stands alone as the one true means of salvation and the only religion that stands the test of scrutiny.
- 3) Scientific evidence for the existence of God, showing that a belief in God can actually be substantiated logically, scientifically and mathematically.
- 4) An examination of the scientific evidence for Biblical creation, showing the many ways in which evolution is scientifically impossible.
- 5) An explanation on what really happened to the Dinosaurs, including fascinating scientific and historical evidence showing that Dinosaurs did not die out 65 million years ago, but actually went on the ark with Noah and died out fairly recently.
- 6) An examination of Theistic Evolution including the Biblical reasons why God did not use evolution as His means of creation.
- 7) Examining the amazing historic evidence of America's Christian heritage, showing that the "Separation of Church and State" is not only a myth, but that our country has a history of actually endorsing and even promoting Christianity.
- 8) Exposing the truth about abortion and the abortion industry with facts, evidence and history that most people are unaware of. This will expose the dishonesty of the "pro-choice" argument while reminding women that there is still always forgiveness in Christ.
- 9) Unity, New Age Christianity and the reinventing of Jesus. This deals with the reality and dangers of pluralistic teachings that "all paths lead to God", "there is no Hell" and that "everyone ultimately goes to Heaven".
- 10) Strengthening and redeveloping our faith and trust in God. This addresses those times when we struggle with trusting God, when our faith is weakened and when God just seems to "not make sense". How we can develop a rock solid faith that stands amidst the tests, trials and doubts.
- 11) Bob's personal testimony where he will share openly his life of growing up in a religious cult, involvement in various demonic activities, getting saved and walking through many trials including watching his teenage daughter die in his arms in 2002. This will focus on encouraging believers to remain faithful in all circumstances, remembering that even in the most confusing of times, God never leaves us or forsakes us.
- 12) Men's issues such as understanding the unique call God has on men's lives and how to be true men of God. Perfect for men's events, prayer breakfasts, men's weekend retreats, father/son events, etc.
